

# *Blue Knights® Germany VIII e.V.*

---

Dear knights, castle ladies and friends,

We proudly invite you to our international meeting on the occasion of the 30th anniversary of our chapter.

**In the “Jugendhof Sachsenhain”/ Verden, we have reserved exactly 100 beds for the 26 - 28.09.2025.**

It is also possible to camp on the site or spend the night in the camper/caravan you have brought with you.

It will be a meeting where you will meet many friends again, get to know many new friends and where you can chat and dance with great canned music with a DJ with all kinds of drinks and good food.

I ask you to indicate vegetarian food requests when registering.

As usual, our prices are just above our subsistence level.

The prices for the meeting, accommodation and catering are staggered and can be found in the enclosed flyer.

On request, we will also put you in touch with accommodations in the surrounding area.

We would like to point out that we do not want any gifts from you! There will also be no chapter gifts from us.

Instead, we ask that our fundraising campaign (the donation goal will be announced later) be actively supported.

Therefore, we are happy to accept an appropriately filled envelope.
