We have plant a meeting without gadgets as e.g Tombola, presents, etc.

We only want to spend a good time with friends, and we will offer guided tours in der region between Hamburg, Bremen and Hannover.

Faithful to the principle „faster-bigger-onward“ the meeting will be a Mega-Party with Live-bands. At this time we present on 2 days live-music with two different bands.

Enlargement means as well to be in a difficult logistical position.

Therefore we ask for your understanding that we can offer the accomondation in the youth hostel only with a 3-night stay. We will welcome daily guests and a stay for 1-2 night(s) in a tent is possible!!!
